Inspection Narrative

The Department of Human Services, Office of Children, Youth and Families, Western Region (Department) conducted an annual licensing inspection of the Adelphoi Village, Inc., Alliance, on 2/24/2020 through 2/27/2020 for licensing year 6/02/2020 to 6/02/2021. During the inspection, the Department reviewed: 10% of the resident files, including files of discharged residents, and the personnel files of all employees. The files were determined to meet all state and federal regulations and statutes. A physical site inspection was completed, and there were no concerns observed. The Department interviewed a resident and staff member during the inspection. The resident discussed her relationships with her peers and the staff, and she stated feeling comfortable in her interactions with them. She also discussed having the opportunity to watch movies, take walks to the park, and go shopping. The resident reported she has opportunities to communicate with her family, and she has the ability to earn monthly home passes. She reported feeling safe. The staff member explained how the use of de-escalation techniques helps the residents be less impulsive. She stated she has participated in monthly fire drills with the residents since her hire, ensuring the residents were out of the house in under two minutes.
