RE: Keystone Human Services – Queen St SCR

York, Pennsylvania 17402

Dear Mr. Grier:

As a result of the Department of Public Welfare's licensing inspection on June 8, 2012 of the above personal care home, we have found that your personal care home is in substantial compliance with the regulations, set forth in 55 Pa.Code Ch. 2600 (related to Personal Care Homes), that can be adequately assessed at this time. The licensing inspector was unable to complete a full inspection because the home is new and not yet serving four or more residents.

In accordance with 55 Pa.Code § 2600.11(b) (relating to procedural requirements for licensure or approval of personal care homes) a re-inspection of your newly licensed personal care home will be conducted within 3 months of the effective date of this license. Complete compliance with all applicable regulations is required in order to maintain your license.

Your NEW license is enclosed.

Sincerely,
