**PLAN OF CORRECTION**

2600.25 (b) Resident did not sign the contracted dated 6/24/11 however, the contract was signed by the POA and resident had signed all other areas of the contract excluding the attached page.

Upon inspection and finding of the above, resident #1 was asked to review the contract and sign. [redacted] signed the page (where only the POA had signed) and attached is a copy for review.

Administration went through each individual resident chart for inspection immediately on 9/26/12 to make certain that each page was signed in the proper location. All charts already on file are compliant at this time.

Administration will review each contract upon admission of the home for proper signatures in all areas on the contract. This will be a continuous and ongoing part of each admission.

Administration will review charts on a periodic basis for compliance with the above. Staff will also be reminded to review charts for signatures in the proper location. Violation report, plan of correction and continuous monitoring will be discussed at the upcoming staff meeting scheduled for 11/13/12.
