1. REGULATION 55 Pa.Code §2600

2600.42(b) - A resident may not be neglected, intimidated, physically or verbally abused, mistreated, subjected to corporal punishment or disciplined in any way.

2a. DESCRIPTION OF VIOLATION

Resident #1 was placed on hospice services on 5/22/13 due to COPD. On 7/7/13, at approximately 9:30am, Resident #1, who was dependent on a machine for oxygen, suffered an unwitnessed fall in the resident's room. The resident went into respiratory distress and began to turn purple-blue in color. Staff person A, who is trained in first aid and certified in CPR, was with the resident at this time, awaiting emergency medical services. Staff person A willfully withheld CPR for the resident. On 7/22/13, staff person A was interviewed and reported that they were unaware if the resident had a DNR order and withheld initiating CPR because the resident was on hospice. The home did not provide a DNR order to the EMT's and upon their arrival the EMT's initiated CPR. Resident #1 died at the hospital at 10:07am on 7/7/13. The resident's cause of death was intracranial hemorrhage.

3. PLAN OF CORRECTION (POC) (Attach pages as necessary. Remember that you must sign and date any attached pages.)

Include steps to correct the violation described above and steps to prevent a similar violation from occurring again. If steps cannot be completed immediately, include dates by which the steps will be completed.

A staff meeting was held on August 8, 2013 which addressed the issue of DNR, including staff responsibilities and how to know a resident's DNR status. A sign-in sheet for attendance at the meeting was faxed to Amy Sharpf at DPW. In addition, the attached training sheet (A) was reviewed individually with all staff members by the Director and the Director of Resident Care. Dates are on the training sheets. This training will be added to our Orientation training and to our annual staff training.

The attached information (B) was included in the Emergency packet given to the EMTs. All staff, per this training, are aware it is their responsibility to verbalize the DNR or Full Code status of a resident to the EMTs in an emergency situation.

Staff CPR training is scheduled for September 17, 2013 and this information will be reviewed again at that time. A sign in sheet will be faxed to DPW after that training is completed.

2a. DESCRIPTION OF VIOLATION
 On 7/7/13, at approximately 9:30am, Resident #1, who was dependent on a machine for oxygen, suffered an unwitnessed fall in the resident's room.
