Dear Ms. Blake-Williams:

Thank you for your request for a waiver of 55 Pa.Code Ch. 2600 (relating to personal care homes). You have requested a waiver of 55 Pa.Code § 2600.103(a) (relating to food service) for the home listed above.

Your request for waiver is being returned for additional information. The submitted Request for Waiver of Regulation form had inadequate information listed for the alternative for providing an equivalent level of health, safety and well-being protection of residents, as well as the reason for the request. The information submitted on the form did not let the Department know what the home would actually like to do to solve this issue while still meeting the regulations. The Department requests that you provide this information as it is applicable and necessary. Please provide the home's specific alternative for providing an equivalent level of health, safety and well-being protection of residents to the Department. Please also include any supporting documentation to support your waiver request.

Upon receipt of a completed request for a waiver, a full and careful review of all documentation will occur. Please return the completed waiver request to Ms. Tara Pride, Director of Regulatory Implementation, Bureau of Human Services Licensing, Room 631 Health and Welfare Building, 625 Forster Street, Harrisburg, Pennsylvania 17120.

If you have any questions regarding the waiver process, you may contact the Operator Support Hotline at telephone number (866) 503-3926.

Sincerely,
