Dear Ms. Corrigan:

Thank you for your request for a waiver of 55 Pa.Code Ch. 2600 (relating to personal care homes). You have requested a waiver of 55 Pa.Code § 2600.56 (relating to administrator staffing). However, the Department has determined that you require a waiver of 55 Pa.Code § 2600.54(a) (relating to qualifications for direct care staff persons) for a direct care staff member working in your home.

Your request for waiver is being returned for additional information. Each waiver request must include documentation that the non-U.S. educational program is similar to or exceeds U.S. educational requirements. This includes, at a minimum, a transcript which lists the specific courses taken to earn the diploma (including dates of completion) and the date the individual earned the diploma. The transcript needs to show at least three years of schooling information. All documentation must be translated into English by a certified translator. The documentation submitted with the waiver request did not contain an educational transcript which had three years of schooling information, nor was it translated into English.

If you have any questions regarding the waiver process, you may contact the Operator Support Hotline at telephone number (866) 503-3926.

Sincerely,

Matthew Jones
Acting Director
