3. PLAN OF CORRECTION (POC) (Attach pages as necessary. Remember that you must sign and date any attached pages.)
Include steps to correct the violation described above and steps to prevent a similar violation from occurring again. If steps cannot be completed immediately, include dates by which the steps will be completed.

On February 24th, and again on March 18th, the Executive Director met with the District Supervisor of the Knights/Diagnostic Unit to discuss the need to complete Health and Safety Assessments on all students within the first 24 hours of their admission to the Knights/Diagnostic Unit. It was also re-iterated during this meeting that it should also be completed when a student is transferring from either Summit Academy or The Academy and had a previous assessment, a new one still needed completed upon their admission to this Unit. The District Supervisor conducted a training session with the on-staff RN, EMT, and the AM Diagnostic Supervisor and copies of these training sheets are attached.

The AM Supervisor has also been designated as the person responsible for reviewing student files daily to insure that all Health and Safety Assessments are completed within 24 hours.
