Dear Ms. Young:

Thank you for your request for a waiver of 55 Pa.Code Chapter 2600 (relating to personal care homes). You have requested a waiver of 55 Pa.Code § 2600.227(g) (relating to development of the support plan) and 55 Pa.Code §§ 2600.252(13), (14) (relating to content of resident records) for the licensed homes listed above.

A waiver of 55 Pa.Code § 2600.227(g) (relating to development of the support plan) and 55 Pa.Code §§ 2600.252(13), (14) (relating to content of resident records) is not needed. According to your submitted documentation, Sunrise will retain a printed acknowledgement form which will be signed by all who participate in the development of the support plan. As long as Sunrise maintains a signature page for each resident's support plan, as well as maintains resident records in accordance with electronic record keeping practices, a waiver for Sunrise's electronic health record system is not needed.

If you have any questions regarding the waiver process, you may contact the Operator Support Hotline at telephone number (866) 503-3926.

Sincerely,

Tara Pride
Director of Regulatory Implementation
