101r - Bedroom - shades/drapes/window covering

1. Requirements

2600.

101.r. There must be drapes, shades, curtains, blinds or shutters on the bedroom windows. Window coverings must be clean, in good repair, provide privacy and cover the entire window when drawn.

Description of Violation

At the time of inspection, resident room # [REDACTED] did not have a window covering on their window. This resident did not have privacy from the outside which faced a road to the local housing development community.

Plan of Correction**Accept**

The resident in [REDACTED] ripped down his curtain and blind.

New blinds had been ordered, but had not been installed at the time of the inspection.

A curtain on a tension rod was hung at the time of the inspection.

A new blind was received and installed a few days after the inspection.

A spare blind has been purchased to have on hand for a more timely repair if/when needed.

The direct care staff will monitor for blind issues daily. They will report issues to the administrator immediately.

Staff training about 101.r. was completed on 2/18/2021)

The administrator will verify during the monthly building checks that all rooms have the proper window coverings for privacy.
