54a - Direct Care Staff

1. Requirements

2600.

54.a. Direct care staff persons shall have the following qualifications:

- 2. Have a high school diploma, GED or active registry status on the Pennsylvania nurse aide registry.

Description of Violation

Direct care staff person A, does not have a high school diploma, GED, or active registry status on the Pennsylvania nurse aide registry.

Plan of Correction

Do Not Accept

Staff member A was hired in [redacted] as a companion, with no personal care duties. [redacted] was to have graduated in [redacted]. [redacted] was permitted to attend the graduation ceremony with the rest of [redacted] class which lead me to believe [redacted] had graduated. After graduation, I offered [redacted] a direct care staff position. Having attended graduation myself, I had no idea [redacted] had a course to finish yet to meet state requirements for graduation. In the future, I will be more conscientious about getting the diploma before the end of the 30 day probation period. Staff member A will graduate in June, and I have secured a letter verifying [redacted] anticipated graduation from school. I have attached the verification letter.

Completion Date: 03/24/2022

Update: 04/27/2022

Is this high school an accredited High School through the PA Department of Education? If so I need verification of same. Then this POC will be accepted as long as the school is approved by the PA Dept. of Ed.

AG, 2-27-22

Plan of Correction

Accept

Yes, this school is an accredited High School through the PA Department of Education. I reviewed the school website as well as reached out to staff member A's teacher who previously provided us with the letter that was submitted. <https://ccaeducate.me/academics-programs/program-accreditations> This is the link to the accreditation verification of the school. I was in communication with [redacted] on 4/27/2022 regarding this verification and its acceptability. [redacted], Administrator
