141a 1-10 Medical Evaluation Information

1. Requirements

2600.

141.a. A resident shall have a medical evaluation by a physician, physician’s assistant or certified registered nurse practitioner documented on a form specified by the Department, within 60 days prior to admission or within 30 days after admission. The evaluation must include the following:

1. A general physical examination by a physician, physician’s assistant or nurse practitioner.
2. Medical diagnosis including physical or mental disabilities of the resident, if any.
3. Medical information pertinent to diagnosis and treatment in case of an emergency.
4. Special health or dietary needs of the resident.
5. Allergies.
6. Immunization history.
7. Medication regimen, contraindicated medications, medication side effects and the ability to self-administer medications.
8. Body positioning and movement stimulation for residents, if appropriate.
9. Health status.
10. Mobility assessment, updated annually or at the Department’s request.

Description of Violation

The Documentation of Medical Evaluation (DME) for both Resident 1 and 2 did not contain temperatures in Section (1) of the General Physical Examination.

Plan of Correction

Accept

Going forward all Documentation of Medical Evaluations (DME) will be reviewed by the Administrator to ensure all sections of the document that need to be completed are done. Any DME that needs corrected, or is missing information, will be returned to the physician before it is accepted.

Completion Date: 06/16/2022

Document Submission

Implemented

Going forward all Documentation of Medical Evaluations (DME) will be reviewed by the Administrator to ensure all sections of the document that need to be completed are done. Any DME that needs corrected, or is missing information, will be returned to the physician before it is accepted.
