2600.

127.a. Portable space heaters are prohibited.

Plan of Correction

Accept (GR - 03/17/2023)

This heater was picked up and removed from property (garage across street) by the person that brought it in to begin with, Staff has been reeducated on the importance of fire safety and the fact that space heaters are a hazard. We do have a plan in place in the event that a heating unit breaks in the winter months. Broken units will be swapped out with a working unit from our chapel area. The person who brought in the space heater was also educated on the hazard a space heater can be not just for that resident but everyone in the building. Staff was reeducated on 3/14/2023
