## Inspection Narrative

The Department of Human Services, Office of Children Youth and Families, Western Region, conducted an annual licensing inspection of Adelphoi Village Raphaël cottage on 02-28-2023 thru 03/03/2023. During the inspection, the department reviewed 10% of all resident files, which include current and discharged youth. We also selected all personnel files of employees who currently work at the facility along with staff terminated this year. A physical walk through of buildings and household was also completed as part of the regulatory yearly license compliance. We conducted staff interviews, along with a variety of youth and student interviews. This was to better understand and address housing, program norms, and administration issues.

Youth have stated they feel safe at the facility and enjoy the activities provided to them. Staff feel heard and supported and have stated they enjoy their job. Staff feel they get adequate training in dealing with their specific youth population.
