Description of Violation

On May 9th, 2023, staff A was seen picking up child A after [REDACTED] jumped out of the transportation vehicle, and throwing [REDACTED] onto the ground.

Plan of Correction

Accept [REDACTED] - 06/30/2023)

- After review of the emergency physical intervention (EPI), childine was notified by the Unit Director on 5-2-2023.
- The Unit Director and Program Director suspended staff member A on [REDACTED]
- The staff member A was terminated on [REDACTED].
- The incident was reviewed by DHS and the allegation was Unfounded on [REDACTED].
- Police investigated and immediately closed the case stating the staff acted appropriately to ensure the safety of the residents and staff.
- Staff member A acted outside of the approved Safe Crisis Management (SCM) training during the initiation of the emergency physical intervention (EPI). Proper EPI techniques were used by Staff member A after the initiation. This initiation occurred as the client was chasing [REDACTED] peer in attempt to physically harm him. Additionally in the clients attempt to gain access to the peer, [REDACTED] elbowed a senior staff member in the head.
- Staff member A successfully completed the agency's Safe Crisis Management training upon being hired. The training was completed by Safe Crisis Management Instructor. This training occurred on 6-1-22 and 4-25-23. During the training, staff member A successfully demonstrated knowledge and understanding of all of the concepts taught in the training. This is noted by the instructor in written feedback on the documentation provided for the training.
- The client was assessed by agency nurses on 5-2-23 and 5-3-23. For precautionary purposes, the client was taken for an x-ray of [REDACTED] elbow. The client was given a diagnosis of an elbow sprain. The client refused a follow up appointment with [REDACTED] PCP.
- The Unit Director reviewed the agency policy on emergency physical interventions (EPIs) with the staff team on 5-17-23. Staff reviewed and discussed proper physical techniques, restraint initiations, and de-escalation of clients.
- Compliance Caseworker and Clinical Manager will review the next 3 emergency physical interventions at Raphael to ensure de-escalation and proper technique were used by the staff team. Findings of each review will be sent, via email, to the Unit Director, Program Director, Director of QA and Vice President.
- Any issues will be addressed immediately by the Vice President of Residential Services.
- The Unit Director is responsible for monitoring and ensuring compliance.
