63a - First Aid/CPR Training

1. Requirements

2600.

63.a. At least one staff person for every 50 residents who is trained in first aid and certified in obstructed airway techniques and CPR shall be present in the home at all times.

Description of Violation

On 6/30/24 and 7/1/24 from 12:30 AM to 7:00 AM 4 residents were present in the home. During this time, no staff members were present in the home who have current training in first aid.

Plan of Correction

Directed ([REDACTED] - 08/08/2024)

1 - Please see attached info documents for current employee information.

2- [REDACTED] is the administrator and responsible for all scheduling and insuring all personnel are trained certified CPR/First Aid. No one will be left alone without another CPR/First Aid certified employee present. All Employees will be required to prove certification prior to employment or required to be trained within 30 days of hire date.

+

3. A monitoring step has been put in place as of this recommendation. [REDACTED], Administrator, Will be responsible for the continuance and pursuance of all employees being current on the CPR/First Aid certification. Employees are also told to notify when a certification is expiring to prior 30 days.

We have implemented a strict requirement of anyone employed on the floor be certified by the state of PA and/or the Red Cross as CPR Certified with obstruction airway techniques. No one is allowed or permitted to be on the floor without certification.

Proposed Overall Completion Date: 07/29/2024

(Directed)

- In addition to the above plan of correction, beginning 9/1/24 the Administrator will audit schedules on a monthly basis to ensure that there is always at minimum one staff working in the home who is CPR/First Aid certified.

Directed Completion Date: 07/29/2024

Implemented ([REDACTED] - 08/19/2024)
