(please see attached) Moving forward the administrator planed out 9 months of fire drills to ensure they are held on different days of the week, at different times of the day and night, not routinely held when additional staff persons are present and not routinely held at times when resident attendance is low. 162c - Menus Posted

2. Requirements

2600.

162.c. Menus, stating the specific food being served at each meal, shall be prepared for 1 week in advance and shall be followed. Weekly menus shall be posted 1 week in advance in a conspicuous and public place in the home.

Description of Violation

The home's menu for the week of 10 27 24 to 11 2 24 was posted. However, the following week's menu from 11 3 24 11 9 24 was not posted at the time of inspection 10:10am.

Plan of Correction

Accept ( [redacted] 11/04/2024)

Immediately on 10/28/2024 two weeks of menus were posted in the home so that all residents and staff shall be aware of what food is being served. The admin held a meeting with the cook who is responsible for completing the menus. They reviewed reg.162.c. "Menus, stating the specific food being served at each meal, shall be prepared for 1 week in advance and shall be followed. Weekly menus shall be posted 1 week in advance in a conspicuous and public place in the home." The administrator purchased a show case to display the menus so the resident cant remove them. (please see attached) Moving forward the administrator will conduct monthly checks to ensure the menus are up and posted properly. The admin monthly checks started on 10/1/24 and will continue for six months. Please see attached most recently completed monthly admin audit check done on 11-1-24.
