Inspection Narrative

The Department of Human Services Office of Children, Youth, and Families (Western Region) conducted an annual licensing inspection of New Outlook Academy on 12/2/2024 and 12/3/2024 for licensing year 4/21/2025 to 4/21/2026. During the inspection, the Department reviewed 10 percent of youth files (including discharged resident files, totaling 16) and 100 percent of the agency's personnel files, to include all employees who have direct contact with the youth. Overall file reviews supported compliance with state/federal laws and regulations and no violations were identified. A physical site inspection was completed, and there were no regulatory violations identified. Interviews with both youth and staff members were conducted. Youth comments included describing the program as safe and supportive. Youth have opportunities to participated in education and treatment activities. Staff members are supportive and caring. Staff member comments included feeling supported by leadership. Staff have opportunities to build healthy relationships with youth. Trauma informed trainings are beneficial. Staff feel safe in the program.
