Inspection Narrative

The Department of Human Services, Western Regional Office of Children, Youth and Families conducted the annual licensing inspection of Sarah Reed, Susan Hirt Hagen Hall on March 4 5, 2025. The inspection was for the renewal licensing year July 31, 2025, to July 31, 2026. The review was completed by means of a random sample record of 10% consisting of 3 of 29 youth files. Interviews with both youth and direct care staff, internal policy and procedures, personnel records, fire drill logs and walk through inspection of the physical property was all completed and/or reviewed. As part of this review, all personnel files were reviewed for proper clearances, training and physical assessments. The Department found everything to be within regulatory compliance and no citations were issued for this licensing year. The cottage was used for most of the review period, however, due to a shortage in available staff, this building is currently closed for painting/maintenance.
