1. Requirements

3800.32.c. A child has the right to be treated with fairness, dignity and respect.

Description of Violation

On 1/8/2025, a resident was transported off campus in a staff member's personal vehicle without obtaining prior supervisory authorization, which constitutes a violation of the established transportation policy.

Plan of Correction ***Accept (- 03/28/2025)***

The incident where a staff member transported a resident off campus occurred on 1/18/2025 and was reported by the resident to Devereux staff on 1/31/2025. Immediately upon report, a ChildLine report was made and the staff member was placed on administrative leave pending the results of internal and external investigations. The staff member was terminated from employment by Devereux on [redacted] due to violating organizational policy. To prevent recurrence, all residential staff will review and acknowledge Devereux's policies on transportation and inappropriate interactions by 3/24/2025. Additionally, Devereux has planned a new initiative whereby all Devereux staff will be trained on a biannual basis on monitoring and supervision practices that increase abuse prevention strategies as outlined by the Praesidium Accreditation model. This initiative was implemented on 3/1/2025. The operations team will monitor and track compliance with procedural standards through regular unscheduled walkthroughs and remote observations of video surveillance.
