132e - Fire Drill Sleeping Hours

1. Requirements

2600.

132.e. A fire drill shall be held during sleeping hours once every 6 months.

Description of Violation

The last fire drill conducted during sleeping hours was on 10/15/24 at 5:10 AM.

Plan of Correction

Accept (█ - 05/05/2025)

Our most current hours of sleep fire drill was held on 4/27/25 at approximately 6 am. We are now aware of the fact that we need to go by the exact date and not simply the month that the hours of sleep fire drill was conducted previously. The Administrator has placed a conspicuous alert on our monthly Administrator calendar for October 2025 to have the hours of sleep fire drill completed PRIOR to 10/27/25. The Administrator has also placed an alert in █ phone calendar for several weeks prior to 10/27/25 to have the hours of sleep fire drill conducted before 10/27/25. The Administrator certifies that the hours of sleep fire drill will be conducted within the 6 month required time frame (based on exact date) and, therefore, be in continued compliance with this Regulation.

Licensee's Proposed Overall Completion Date: 05/01/2025

Implemented (█ - 05/13/2025)
