3800.58 Staff Training

1. Requirements

3800.58.e. Each staff person who will have regular and significant direct contact with children, shall complete training in first aid, Heimlich techniques and cardiopulmonary resuscitation at least every year. If a staff person has a formal certification from a recognized health care organization which is valid for more than 1 year, retraining is not required until expiration of the certification.

Description of Violation

In 1 of 18 tenured personnel files reviewed, Staff Member A had training in CPR/First Aid completed on 08/30/2022, and an updated training was 10/03/2024.

The agency shall develop a plan to assure that this mandate is being met. The plan shall identify the staff position responsible for monitoring and ensuring regulatory compliance.

Plan of Correction

Accept () - 09/18/2025)

- Immediately following the inspection, the agency's human resources department revised the program's training report, to ensure all staff training reports reflect required trainings.
- During a staff meeting on 9/8/2025, the Unit Director discussed regulatory required training, emphasizing the importance of timely completion.
- Unit Director will run a training report from Relias, monthly, to be used during clinical supervision with each employee, to review upcoming trainings while developing a plan to complete.
- Compliance Caseworker will randomly select 3 employees, each month, for three months, to review clinical supervision, ensuring training plans are reviewed. Any issues found will be reviewed with the Unit Director and Regional Program Director.
- Unit Director and Regional Program Director will be responsible for monitoring this plan.
