Resident [REDACTED] is no longer a resident at [REDACTED] was placed in a nursing home facility. [REDACTED] installed alarms on door, also have a red marks on there profile pictures if they might be a elopement risk.

The administrator will do every 3 month checks to make sure RASP are up to date with any concerns or changes.

Administrator was using the computer system wrong and will change how it will be used for RASP, [REDACTED] was updated but it did not look like it due to the dates in the system

I have attached a paper showing when i went in to change it that day

I will be saving each one from now one when they are changed it was just not understanding the system.

I sent reminders in the care suite TASK system to remind to che
