Inspection Narrative

Cornell Abraxas Group, LLC. operates multiple residential facilities for juveniles in several states across the country including Pennsylvania. Abraxas 1, located in Marienville, Pennsylvania, currently has seven licensed dormitories, one of which was newly licensed and empty. At the time of the inspection, there were four dorms for males and one dorm for females. This document is specific to Pioneer Dorm, which has a maximum capacity of 10 residents. Pioneer is a PRTF with more of a therapeutic focus. The review period for this inspection is from January 1, 2025 through December 31, 2025.

During this review period, there were no residents placed in this dorm. A walkthrough was conducted and no issues were found for this physical site. Although there is no immediate plan to use this dorm, Abraxas would like to have a license in case the need arises.
