Description of Violation

There was a 2 inch by 6 inch hole in the wall behind the toilet in the small bathroom on the lower floor. Six inches of coving were also missing in the same place.

Plan of Correction**Accept** (████) - 05/07/2026)

There were water pipe issues from the harsh winter. We have since gutted and remodeled the small bathroom on the first floor. We have put new dry wall, insulation, sink and toilet. The hole is now closed. The administrator will check monthly to be sure that any holes or remaining work is completed within a timely manner.
