3800.101 Firearms and Weapons

1. Requirements

3800.101. Firearms, weapons and ammunition are not permitted in the facility or on the facility grounds, except for those carried by law enforcement personnel.

Description of Violation

The Department confirmed with the Administration at the facility that staff member A accidentally brought in a firearm in the main lobby of the facility on April 7, 2026. Admin had staff member A secured the firearm inside her vehicle that was parked on the grounds of the facility for the duration of staff member A's shift. The facility cannot have staff members bring firearms into the facility nor on the grounds of the facility.

The facility shall develop and submit a comprehensive plan of correction to ensure compliance with this regulation in the future. Please provide a plan of correction that includes how it will be monitored, a time frame for monitoring and the person responsible for monitoring this process.

Plan of Correction ***Accept ([redacted] - 06/03/2026)***

A memo was issued on 5/9/2026 to the Abraxas Academy staff indicating that no weapons are permitted on the campus and that they may not be on company property. Any employee who becomes aware of a possible violation of this policy is required to immediately notify their supervisor, facility leadership, or Human Resources. Any person that is not law enforcement arriving on campus with a weapon would be instructed to leave the premises.
Failure to comply with this policy may result in disciplinary action up to and including termination of employment, removal from the premises, and/or notification of law enforcement, as appropriate.
Tracking to ensure that the memo was signed by all staff occurred and compliance was achieved. The memo was assigned for all incoming staff to complete and sign off on an attestation in Relias for tracking. The memo was reviewed in a manager's meeting on 5/12/2026.
Signs have been posted in the facility stating no weapons and signage indicating no weapons for the parking lot have been ordered with anticipated placement by 6/20/2026.

Licensee's Proposed Overall Completion Date: *06/20/2026*

On-site Verification ***Implemented ([redacted] - 07/17/2026)***

The Department completed an onsite verification on July 1, 2026, and was able to confirm that the plan of correction was implemented appropriately.

3800.104 Kitchen Areas

2. Requirements

3800.104.c. Food shall be protected from contamination while being stored, prepared, transported and served.

Description of Violation

On April 27, 2026, the Department completed an inspection inside of the fridge and seen that multiple food items were expired. There were fruit salad, rolls, and dozens of eggs that were all expired. Some of the eggs specifically were documented to be "used by" March 7, 2026. The Fruit salad needed to be "used by' April 24, 2026, and showed signs of the fruit spoiling within the clear container. The Department did observe the Facility disposing all the items after the inspectors identified the issues.

The facility shall develop and submit a comprehensive plan of correction to ensure compliance with this regulation in the future. Please provide a plan of correction that includes how it will be monitored, a time frame for monitoring and

3800.104 Kitchen Areas (continued)

the person responsible for monitoring this process.

Plan of Correction ***Accept ([redacted] - 06/03/2026)***

1) A full review of all dry storage, refrigeration, and prep areas was conducted by Food Service Manager to ensure there were no additional expired items.
2) On May 18, 2026 all Kitchen staff were trained on
• Proper date marking (date opened and discard date)
• FIFO (First In First Out Procedures)
• Importance of checking dates and discarding expired foods
3) Department Manager will also do a thorough check of all items in the department once a month to ensure all items are properly dated and that FIFO (First In First Out) is being followed by all employees. A copy of this monthly check will be sent to Quality.
FIFO signage is posted for employee review. And FIFO is also added to daily responsibilities.

Licensee's Proposed Overall Completion Date: *05/25/2026*

On-site Verification ***Implemented ([redacted] - 07/17/2026)***

The Department completed an onsite verification on July 1, 2026, and was able to confirm that the plan of correction was implemented appropriately.
