Inspection Narrative

The Department of Human Services, Western Regional Office of Children, Youth and Families conducted a six month provisional licensing inspection of Abraxas 1 Explorer Dorm by means of a random sample record review, staff and child interviews, and personnel record review. The onsite inspection was conducted on August 05, 2026 and August 06, 2026 for the inspection period of March 24, 2026, through September 24, 2026.

The Department reviewed all new and tenured personnel records agency wide, and the records of 2 current residents and 1 discharged resident from Explorer Dorm. There were no regulatory issues found during the file review. Child records were noted to be thoroughly completed and contained all required documentation. It is noted that the youth's treatment plans are comprehensive and individualized to meet the needs of the youth. Documentation of medication administration was completed and the facility demonstrated full compliance. The Department completed a walk through of the facility. The agency has been investing in upgrades, and this dorm has received new furniture with enhanced storage and safety features. No regulatory issues were identified. Interviews with youth and staff were completed during this walk through. Youth feel safe at the facility and can identify their goals and staff that they feel comfortable speaking with if they have any concerns. No violations were identified.
