185a Implement Storage Procedures

1. Requirements

2600.
185.a. The home shall develop and implement procedures for the safe storage, access, security, distribution and use of medications and medical equipment by trained staff persons.

Description of Violation

At approximately 1:26 p.m., (4) four oxygen tanks were stored directly on the floor next to the medication cart in the dining area and were not properly secured.

Plan of Correction ***Accept [redacted] 10/15/2026)***

This regulation is important for the safety of residents and staff , oxygen makes fire burn faster so tanks should be stored upright, secured and away from oil and heat it lowers the chance of leaks, falls or accidental ignition. Administrator had the oxygen tanks out to be picked up that day . All Staff have been reeducated on violation 185a and the importance of keeping the oxygen
tanks in there safe storage area . The violation was fix immediately by administrator the oxygen tanks were placed in the medication room for pick up. Administrator will monitor weekly for proper placement of oxygen tanks . An 1 hour in-service was conducted on 10/09/26 on Implement Storage Procedures for all staff . Inservice attached

Licensee's Proposed Overall Completion Date: *10/13/2026*

Implemented ([redacted] - 10/22/2026)

187b Date/Time of Medication Admin.

2. Requirements

2600.
187.b. The information in subsection (a)(13) and (14) shall be recorded at the time the medication is administered.

Description of Violation

Resident [redacted] is prescribed a [redacted] caplet daily at bedtime. On [redacted] the medication was administered by Staff person A but not documented on the resident's Medication Administration Record.

Repeated Violation: [redacted]

Plan of Correction ***Accept [redacted] - 10/15/2026)***

This regulation is important to ensure resident is getting the proper medication at the right time , right route and right time , right medication. The Medication train the trainer [redacted] , educated Staff person A on10/09/26 on regulation 187.b and the importance of proper documentation . [redacted] had staff person A come in and conduct a private Inservice on the importance on 187.b violation and do a current med pass to ensure [redacted] is able to properly pass medications. [redacted] will check all med passes daily to ensure all meds are passed at the given time .

Licensee's Proposed Overall Completion Date: *10/13/2026*

Implemented ([redacted] - 10/22/2026)

187c Refusal of Medication

3. Requirements

2600.
187.c. If a resident refuses to take a prescribed medication, the refusal shall be documented in the resident's record and on the medication record. The refusal shall be reported to the prescriber within 24 hours, unless otherwise instructed by the prescriber. Subsequent refusals to take a prescribed medication shall be reported as required by the prescriber.

Description of Violation

Resident [redacted] refused the prescribed [redacted] tablet at 8:00 a.m. on [redacted] through [redacted], and [redacted]. On [redacted], the home could not provide documentation that the resident's provider was notified.
Resident [redacted] refused the prescribed [redacted] tablet at 8:00 a,m on [redacted] through [redacted], On [redacted], the home could not provide documentation that the resident's provider was notified.

Plan of Correction ***Accept [redacted] - 10/15/2026)***

This regulation is important to ensure the medication that was refused was reported to the PCP , to ensure the resident is getting the proper dose of medication. Medication Train the trainer [redacted] Otool, educated all med techs on 10/09/26 on regulation 187.c on the importance of reporting all refused medication in a 1 hour inservice on all refused medications to PCP at the time of administering. Administer has added a new drop down refused medication / PCP notified . again [redacted] will conduct a medication administration daily audit to ensure all meds are given /or refused.

Licensee's Proposed Overall Completion Date: *10/14/2026*

Implemented ([redacted] - 10/22/2026)
